

AN INVITATION – PLEASE JOIN US!

Dear Potential Partner,

The Fort HealthCare Partners would like to extend a warm invitation for you to join our organization. We feel being a Partner as a health care Volunteer is a satisfying and rewarding way to spend a few spare hours.

A Partner not only assists our hospital through volunteer service programs; we also participate in educational projects, which benefit our entire service area. Additionally, our organization sponsors fundraising projects with proceeds used to fund new equipment, patient education, new services, and health care scholarship awards.

We play a vital role on the team at Fort HealthCare because we are involved in services that supplement the basic functions of staff by helping to make a patient's hospital experience more pleasant.

Membership in Partners is open to all persons interested in Fort HealthCare.

- *Active Members* pay \$10 annual dues and participate in service programs
- *Sustaining Members* pay \$15 annual dues and need not participate actively

Awards are given to members for their service hours donated annually and for service hours accumulated.

Benefits include:

- **FREE** gym membership (Some hours are restricted if patients are using the gym) - *Active Only*
- 50% discount off exercise classes offered by Fort HealthCare – *Active Only*
